I'm thinking of a 40 meter version using an 813. Should be good for 50  
watts or so and a good exciter for another 813 PA.

**Subject: QTH needed**

I am hunting for an old ham buddy from years back. If someone has  
any old callbooks circa 1960's, 1970's, I need the full name and address for:

W5TOF
